## LMK – Handrail

Gangways from Lemvig Maskin & Køleteknik ApS are renowned for their low weight, great strength, and stable design. Together this means a highly maneuverable gangway with excellent properties. LMK Gangways offer great flexibility in use, thanks to the many alternative configurations. To comply this, we offer a range of different types of handrails for our gangways. – So that you always can get safe to shore.

### Handrail
